Beware of the habit of constipation. It develops from just a few constipated days, unless you take prompt action. Coax the jaded bowel muscles back to normal action with Dr. Edwards' Olive Tablets, the substitute for cathartics. Dr. Edwards believes in gentleness, persistence and Nature's assistance. Dr. Edwards' Olive Tablets open the bowels; their action is gentle, yet positive. There is never any pain or griping when Dr. Edwards' Olive Tablets are used. Just the kind of treatment old persons should have.

Dr. Edwards' Olive Tablets are a vegetable compound mixed with olive oil, you will know them by their olive color. Take one or two occasionally and have no trouble with your bowels or stomach. 10c and 25c per box. All druggists.

SHIRK THEIR RESPONSIBILITIES.
More Young Men Should Marry, St. Patrick's Rector Declares—Too Fond of Selfish Pleasures.

Continuing his report of the parish for the past year, Rev. John H. Broderick, rector of St. Patrick's church, speaking at all the masses Sunday, touched upon a number of topics of general parish interest.

Referring to the number of marriages during 1915, a total of 41, he said that this number was not large enough for a parish the size of St. Patrick's; and he had a shrike to administer to the great number of young men who, he said, shirked the responsibilities of matrimony, preferring to continue in lives of selfish pleasure.

There are many who are earning sufficient to undertake the expenses of a home, and the rector pointed out the mistake these young men are making in not settling down to do their full duty as citizens and Catholics.

Speaking in general of the marriages and births in the parish, Father Broderick commended the excellent work done during 1915 by the members of the Holy Family men's club, who provided nearly the entire amount for the care of orphans and poor; he expressed the hope that the parishioners would aid the club in every possible way in making this year's charity ball a success.

Obligation was laid to the members of the Senior and Junior choirs, the pew rent collectors and the others, who serve faithfully throughout the year without any remuneration, solely from a desire to make the Sunday services pleasing to God.

Father Broderick spoke of the great number of parish members who are regular communicants, many receiving communion daily.

In general, the attendance at the various masses is good, although there are some failures, who make bad weather, etc., an excuse for absents themselves from church.

PROTECTION FOR AMERICAN LIFE AND PROPERTY IN MEXICO
Problem to Be Debated in Both Houses of Congress This Week.

Washington, Jan. 16.—The problem of securing protection for American life and property in Mexico, as a result of the Santa Ysabel murders, is expected by congressional leaders to be the dominant subject in the proceedings of both houses during the coming week. Issues are arising from the European war have been completely overshadowed by it and conservation bills and other important legislative measures under consideration are not drawing the attention of the Senate and House.

There is sure to be more of the fervid discussion of the Mexican problem that ended the sessions of the past week. Members of the house and senate are unanimous in their belief that the Santa Ysabel bandits be punished, but the majority oppose any step that would result in intervention, which might mean destruction of the de facto government, the United States and the Pan-American nations led in establishing Mexico.

Mexico will be the subject for formal discussion by the senate foreign affairs committee before the coming day when the nomination of Henry Prather Fletcher as ambassador to Carranza's government will be taken up. Administration leaders are hopeful that a report recommending confirmation will be made without delay.

GREEK GOVERNMENT
FACES SERIOUS PROBLEM
Of Supplying Its Troops with Food Because of Blowing Up of Bridge.

London, Jan. 16.—The Greek government faces the serious problem of supplying its troops at Serres with food as the result of the blowing up of a railroad bridge by the Bulgarians. The population at Serres and the large concentration of Greek troops in that region are largely dependent on Saloniki for supplies. It will be remembered that a considerable portion of the Greek troops which had gathered at Saloniki were despatched to Serres.

TO ROUND UP AND DESTROY MEXICAN BANDITS
Movement on Foot by Carranza Military Commanders.

El Paso, Texas, Jan. 16.—The movement of General Trevino and other Carranza military forces to round up and destroy the bandits who massacred Americans in Chihuahua Sunday morning has been reported on
